

BAR.FLORA
GIN & TEA

JUST LIKE THE
MOONFLOWER,

WE TRANSFORM FROM DAY TO NIGHT.

Akin to the moonflower's cycle as a bud in the day, and a bloom at night, bar flora offers a binary experience rooted in one place.

Much like the intoxicating moon flower, we strive to provide the same exciting journey into the world of botanicals, gin and tea.

FLORA

: Latin for Flower

: Roman Goddess of spring and flowering plants

: Reference to the plant life of a particular era or area
